Hey there! I am just checking in to see if you have done any updating to the BB tribal government list? If so, are you complete? If not, how much more time do you need?

Last question, did you use the file that I put in the tribal share folder?
Thanks! Tami

Good Afternoon,
I know you are all busy right now making phone calls for the Dispersant meetings, and I thank you! ;)

We are making preparations for the final release of the Bristol Bay Watershed Assessment (hopefully by the end of this year). So, we will need our tribal contacts updated.

I would really appreciate your assistance in making sure this information in the attached file is up to date.

If you could please update the information for the tribes you working with by **December 6th, 2013**.

I will put this file on our tribal share drive so you can insert information there – I made a folder BB Watershed Assessment Tribal Contacts.

THANKS!! Tami
